

Steps to release your Cosigner:

1. Do I Qualify for Cosigner Release?

Review the following requirements to see if you qualify to have your Cosigner released from your RISLA private loan:

- You are at least 18 years old.
- You are a US Citizen or permanent resident.
- Your loan has been in repayment for at least 24 months.
- Your most recent 24 monthly payments have been made on-time and consecutively for the standard amortized payment amount (Payments greater than the standard amortized payment amount used to advance the due date will only count as 1 payment)
- You have an annual income of at least \$60,000.
- You have been employed at your current employer for a minimum of 6 months or if self-employed your business has been operational for a minimum of 2 years.
- At the time of your request, your FICO credit score is at least 800 and your Experian credit report does
 not show any negative information (unpaid debt, delinquent debts, judgments, liens, foreclosure,
 bankruptcy etc.). NOTE: You are entitled to one free credit report per year from each of the
 nationwide credit reporting agencies. It won't include your credit score. You can purchase your FICO
 credit score from a credit reporting agency. Be wary of programs offering "free scores" they may
 provide a score other than your FICO score.
- Your monthly debt does not exceed 40% of your monthly income.
- You have never been enrolled in any Income-Based Repayment program.
- For Refinance Loans Only, you are the primary borrower on the loan and a borrower on all underlying loans that were refinanced.
- The Cosigner Release Program is not offered to residents of Colorado, Connecticut, Maine, Nevada, or Washington DC.
